- Prices are based on the supply of flags produced on 110gsm knitted polyester.
- Digitally print, at either 720dpi actual or 720dpi optical resolution, in 6 colour Rainbow Technology or 8 colour CMYK.
- The flag is single sided with the mirror image on the reverse side, hemmed all round with a white or black cotton drill sleeve down the hoist.
- Self coloured knitted polyester sleeves are available on request.
- The prices are based upon the supply of digitally prepared artwork in the format requested in the artwork requirement document.
- Tolerance: Colours, size and weight can be 10% above or below the order requirement on appliquéd or printed products.
- ±10% tolerance on the quantity of printed products on all quantities above 10. When overruns are not acceptable, the prices must be increased by 5%.
- All prices are subject to the site of the final artwork and are plus carriage and VAT.
- The complete flagpole kit includes a sectional aluminium pole, with a flexible steel top, vario drill and secure black carrying case.
- The Spread base is composed of a two part base manufactured in mild steel, with a 76cm (30") spread, is powder coated black, and finished with synthetic spacing collar and securing hand knobs.
- The rotating sleeve offers seamless rotation to the entire flag and pole. Based on our flagpole rotating arm, this provides a robust self contained unit that fits neatly into the universal spread base top.
